Investigative Group Meeting British Association of Dermatologists

This meeting will take place all day Friday, January 23 and Saturday, January 24, 1981, at the Welsh National School of Medicine, Cardiff.

Please forward abstracts to: Professor R. M. MacKie, University Department of Dermatology, Anderson College Building, 56 Dumbarton Road, Glasgow, G11 6NU, not later than October 31, 1980. (Abstracts not received by this date will not be considered.)

NINE copies of the abstract should be typed double-space on 8.5 x 11 in. or 21 x 29.5 cm paper. The abstract should consist of *not more than* 250 words and should contain a statement of the purpose of the study, methods used, and a summary of the results presented in sufficient detail to support the conclusions. Supplementary information, such as electron micrographs and tables, can be submitted at the discretion of the author for the use of the selection committee. Please underline name of author who will present the paper.

Individuals who wish to be considered for the Investigative Group Travelling Fellowship should enclose a brief curriculum vitae with their abstract and also confirm that they will be the presenters of the paper to be delivered in Cardiff. (Further details of the Fellowship may be obtained from Professor MacKie if required.)

An innovation this year will be a half-day symposium, to be held on the Saturday morning, on "Hormone Receptors and Function in Skin."

Full details of the meeting will be circularized to members of the B.A.D. and the Investigative Group later in the autumn. Others interested should contact Professor R. M. MacKie. The meeting is open to clinical and non-clinical colleagues.
